

# KEVIN FAROT

**Hi**, I am an ambitious director and producer based in Los Angeles. With a proven ability to multitask & a background working across diverse productions, I thrive in fast-paced team environments & working independently. I invite you to review my website and CV to gain a comprehensive understanding of my capabilities.

I am eager to have the opportunity to meet in person for an interview, where I can provide further insight into my skills and experience while learning more about the project.
